

- ☑ Have landing page buttons fit theme
- ☑ Remove # on leaderboard
- ☑ Change settings to be dialog, such as pause – leaving as is so the user is unable to view the puzzle while on pause
- ☑ Have hints display on the puzzle screen
- ☑ Change flashlight beam
- ☑ Change answer text color
- ☑ Have answer box fit onto the puzzle box in library
- ☑ Fancier certificate
- ☑ Sans Serif Fonts
- ☑ Include the inventory as a pop up on the screen
- ☑ Clearer directions for library (tell user to click around to navigate) – added direction to click around and made interactables highlight when hovered
